

**Low Income Subsidy**

You may be able to get extra help from the government for your Optimum Healthcare, Inc. plan with prescription drug coverage.

You may be eligible for help paying for some or all of your prescription drug costs, based on guidelines set by the federal government. You can apply for this help through the Social Security Administration or a state Medical Assistance Office. The amount of assistance you receive, if any, will depend on your income and resources, and is determined by the federal government.

If you think you could qualify for help, call the Social Security Administration at 1-800-772-1213 (TTY/TDD 1-800-325-0778), between 7 a.m. and 7 p.m., Monday through Friday, or visit [Social Security Website](#). The Social Security Administration’s application process provides the quickest decision. (You can also go to a local Social Security Administration or Medicaid office and apply.)

For the Medicare program's policy on evidence of eligibility for low income subsidy, visit the [CMS website's Best Available Evidence](#) page.

If you know you qualify for or are already receiving help to pay for your Medicare prescription drug plan, learn how much you will pay for your Part D drugs as a member of an Optimum Healthcare plan.
